**CAMDEN COALITION OF HEALTHCARE PROVIDERS INCLUDED IN GOVERNOR'S FY
2020 PROPOSED BUDGET**

Statement by Camden Coalition of Healthcare Providers CEO Kathleen Noonan

Released yesterday, Governor Murphy's budget book is a reflection of the administration's strategic direction and focus areas, and includes many of the priorities of the Camden Coalition. Specifically, we are very encouraged that the Governor's proposed budget continues to make regional care collaboratives such as the current Medicaid ACOs a priority and appropriates critical funding for our Housing First program, both of which are essential for better health outcomes within the city of Camden and regionally. On behalf of the Coalition, I thank Governor Murphy for his commitment to and validation of our work and look forward to working with him, his administration, and the legislature to realize the partnership the proposed budget envisions.

About the Camden Coalition of Healthcare Providers

The Camden Coalition of Healthcare Providers is a multidisciplinary nonprofit organization working to improve care for people with complex health and social needs in Camden, NJ and across the country. The Camden Coalition works to advance the field of complex care by implementing evidence-based interventions and piloting new models that address chronic illness and social barriers to health and wellbeing. Supported by strong data, cross-sector convening and shared learning, our community-based programs deliver better care to the most vulnerable individuals in Camden and beyond.
