

Are you the person friends and family come to for advice?

- Do you think the vaccine is safe?
- Where can I go to get tested for free?

We want to help you help them.

Become a Community Ambassador to learn answers to common public health questions so that you can help keep your community well. Contact Maritza Gomez at [mgomez@camdenhealth.org](mailto:mgomez@camdenhealth.org) or 856-365-9510 to get started!
